

## What We Do

### May Examination Timetables

Students are prepared for examinations in IGCSE (taken in Years 10 and 11) and Advanced Level (AS/A2) examinations in Years 11, 12 and 13.

The programme is broadly as follows:-

### Years 7, 8 and 9

General education with all subjects being compulsory.

### Years 10 and 11

2 year IGCSE programme with compulsory English, Mathematics and Arabic/Islamic Studies for appropriate students.

The remaining subjects are selected from an option scheme.

### Years 12 and 13

A further two year programme leading to AS and A2 Advanced Level qualification normally 3, 4 or 5 subjects.

We aim to provide students from a variety of international backgrounds with British qualifications which have international currency to enter universities of their choice.
